

“Where Friends Meet...”

Celebrating **30 Years** of the
Newberg Old Fashioned Festival
July 22 - 25, 2010

Disclaimer (for your consideration):

This was a difficult winter in the park as three trees were lost, mostly in the live stage entertainment area. However, if the weather is hot again this year, some spaces will have even less shade.

Due to a few incidents last year, we felt it was important to bring forth a few reminders and ask for your cooperation.

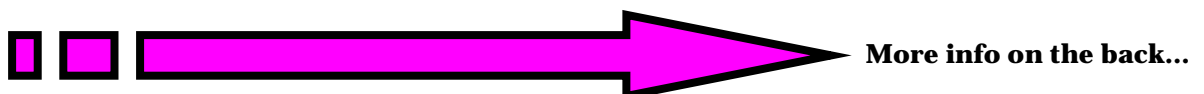

- 1. Food Vendors:** A copy of your liability insurance certificate must be received by Newberg Fire Dept, Attn: Jill @ 414 E 2nd St, Newberg, OR. 97132, **BEFORE July 15th**.
- 2. Regulation #8:** All vendors, their agents, products and/or services, signage, literature, and merchandise will be contained INSIDE the purchased space(s). NO vending of merchandise, distribution of literature, product samples and/or services, give-away items, or solicitations will be tolerated OUTSIDE of the booth(s). Violators will be immediately removed from the park - without warning - and no reimbursement of fees, and denial of your participation in future festivals.
- 3. Festival Business Hours – Regulation #9 – NEW HOURS:** We ask that you honor and respect these hours as they were designed to allow vendors to enjoy the festival as well as have a profitable weekend - specifically Sunday’s business hours. **All Vendors shall comply with the minimum business hours as outlined on the Rules and Regulations page** – UNLESS - arrangements have been made in **ADVANCE**. **Early withdrawals or booth closures will not be allowed.** Failure to comply will result in denial of your participation in future festivals.
- 4. Park Rules - NOT - included in the Rules and Regulations:**
 - a. No skateboard, roller blades or bicycles allowed in the park or at festival activities
 - b. Per Ordinance, **Dogs/pets** (for their safety as well as humans) **are not allowed in the park or festival activity areas during the entire Old Fashioned Festival.**
 - c. The use of alcohol/alcoholic products is **STRICTLY PROHIBITED** in festival activities, in all of Memorial Park, and on all School District properties.
 - d. The use of tobacco/tobacco products is **STRICTLY PROHIBITED** in the main stage seating area, the food court, and on all School District properties.

Thank you for participating in the 30th Newberg Old Fashioned Festival.
We hope you have a wonderful weekend!!!
